Warning: Motorcycle sports involve the inherent risk and danger of serious bodily injury including, but not limited to, disability, paralysis, dismemberment and death. It is the opinion of this company that you the purchaser seek professional mechanic assistance in the installation of ANY AND ALL PRODUCTS; Even if your products come with instructions, these instructions are not meant to imply our responsibility for the installation or maintenance of any and all products. It is also our recommendation that any instructions that you might receive from K and S Restorations will not be meant to imply any responsibility or the correct installation of any product purchased from K and S Restorations. If you chose to install the parts yourself K and S Restorations will not be held liable or in any way responsible for any malfunction, injury, disability or death that results from the use or misuse of these products and their installation.

By signing this document you agree with the above disclaimer.
